

Sofia Heating EAD

Heat in your home!

Dear Sirs,

With the present reference we express our satisfaction from the collaborative work with the company “Pro Arm” EOOD, which fully performed the undertaken obligations pursuant to contract N 17/03.09.2012 connected to the delivery of main safety valves and fittings for steam generators type TGM-151 in TPP “Sofia”.

We were respectfully and correctly treated by the entire team of the company in the course of work.

The assigned tasks were executed with professionalism and high quality, in compliance with all the assignments and requirements, with excellent organization and competence.

We found a reliable partner in “Pro Arm” EOOD, who proved his potential in performing high-quality service, flexibility regarding the requirements of the Client and communication as well as execution.

The team works with desire and accuracy.

The present reference is issued to “Pro Arm” EOOD, Sofia, to serve for the company’s participation in the competitions and procedures for government contracts under Public procurement law.

Round seal of Sofia Heating EAD

Respectfully, Petar Todorov

Director of “Investment and repair activities” department
